Custom Sheds

Create a shed to match your style! We'd love to customize a shed to fit you. Bring your own idea to us, or create from the styles we already provide. We can customize shed's starting with simple upgrades such as windows or doors that you provide. We can add any component you'd like for a simple installation fee.

Options

Roof

We offer asphalt shingles or metal as standard roof options. We would be happy to give you a quote if your roof preference is not listed.

Walls

Vinyl, Steel and painted siding are listed as standard for our storage sheds. We also offer wooden lap siding, cedar siding, and many more. Ask for a quote!

Ramps

Our wooden ramps attach to the shed at the door opening. We offer the following dimensions: 4'x4', 5'x4', and 6'x4'.

Cupola

A cupola is a great way to add personality to your shed! We will use shingles or metal to match your roof.

Workbench

Attached workbench with storage shelf below. The workbench comes standard 4' deep but is available in any length.

Shelves

Wooden shelves can be added to your shed. You decide the shelf length and the number of shelves. A 2' Deep shelf is standard.

Loft

A u-shaped loft comes standard in our lofted barns. You may add a loft to any shed. You choose the loft height. 3' or 4' Deep loft.

Floors

Our sheds come with a 5/8" treated plywood floor. We offer a heavy duty flooring upgrade. This includes 3/4" treated and 12'OC floor joists.

Octagon Window

The octagon window looks nice over a door and brings more light into your shed.

Transom Window

Transom windows are a great way to get light into your shed and add a touch of class to your building. These can be installed above doors. They can also be installed in the top of a door or in dormers.

Windows

Our standard shed windows slide open and provide extra airflow while working in your shed

Shutters & Flowerboxes

Shutters and flowerboxes are a great accents to your windows and building.

Options Continued

Ridge Skylight

This option is available with a metal roof. It brings a lot of light into the shed.

Standard Wood Door

Your shed will come with a standard single or double door. Additional doors are available, or you can bring your own!

Arch-Top Door

Arch top doors will dress up your shed. Any standard door can be upgraded to the arch-top design.

Roll-Up Door

A roll-up door offers a wide door opening without taking up much interior space.

Overhead Door

An overhead door is available for our bigger sheds.

Arbor Over Door

A cute addition to any shed.

Delivery

Hardy Lawn Furniture will deliver your shed to you! We have a loading and placement fee of \$85 which includes the first 20 miles. Each additional loaded mile is only 3.50.

Rent-to-Own

Rent-to-Own was established as an alternative to mini-storage. Our no strings plan allows you to have your own storage facility in your backyard readily available when and where you need it. The low monthly rates are comparable to mini-storage rates per square foot.

A two-month payment is required as a security deposit, but there are no credit checks and you are not required to keep the building. A great idea for anyone in a temporary residence. Hardy Lawn Furniture offers 36-month and 60 month Rent-to-Own plans.

Note: Rent-to-Own is not available on all custom sheds. Ask for more details.
